

## **CEC TOEFL IBT COURSES**

### **General Information**

This course is designed to help students acquire the skills and confidence necessary to get a high score on the TOEFL IBT. This is a complete package that includes tests, exercises, test-taking strategies and reviews of student submissions for the Reading, Writing, Listening, Speaking sections. In this TOEFL Preparation Course, skills tested on TOEFL IBT Test which are Speaking, Reading, Writing and Listening are integrated into the schedule and these courses are given by instructors experienced in teaching TOEFL IBT. ITU SFL also has been conducting Dual-Degree Program (DDP) for more than 10 years and hundreds of students in DDP have successfully graduated with a remarkable score at TOEFL exam and the highly experienced instructors of ITU SFL have been helping students achieve their language development. Additionally, ITU SFL has been an official TOEFL IBT test center for years.

### **Aims and Objectives**

TOEFL IBT courses are designed to:

- ✓ support students who want to be exempt from the preparatory schools of universities in Turkey and who want to continue their academic studies abroad.
- ✓ prepare the scholars for the language proficiency exams or contribute to them to get the scores which are enough to get language compensation.
- ✓ increase the achievement of people working for the state or private companies in TOEFL IBT.

## **Course Requirements**

The prerequisite requirement to take this course is for the learners to have a proficiency level of B1 – Independent User. According to the CEFR for Languages, a B1 language learner can:

- understand the main points of clear standard input on familiar matters regularly encountered at work or at school etc.
- deal with most situations likely to arise while travelling in an area where the language is spoken.
- produce simple connected text on topics that are familiar or of personal interest.
- describe experiences and events, dreams, hopes and ambitions and briefly give reasons and explanations for opinions and plans.

## **Placement Policy**

The proficiency levels of the students are tested by a Placement Exam designed by ITU SFL Testing Office before the course.

## **Course Content**

These courses are offered by experienced instructors in TOEFL IBT, one of whom is a native speaker of English. The course curriculum is supported with “The Complete Guide to the TOEFL Test” by Bruce Rogers from Heinle Publishing and for the lab classes, Macmillan Campus Program is used. The course program is 100 hours in total - 20 hours of the whole program are allocated for lab classes.

## **Assessment Process**

Supplementary practice tests form the main component of the assessment process for this course.
